“What is Materials Advantage?”

Our September ASM Chapter meeting will be a joint meeting with the North Carolina State University (NCSU) Materials Advantage (MA) Chapter. Jackie Earle, Carolinas Central Chapter Chair, will share information about Materials Advantage, and the benefits of professional societies.

Students and professionals will have time to ask questions & share career experiences. Since this will be inside a classroom building, masks will be required.

if you would like to attend, please RSVP to Jackie Earle
