February In-Person Technical Meeting

Wednesday, February 21, 2024 @ 6:00 PM

Mid-Atlantic Clean Hydrogen Hub, MACH2

***Dora Cheatham*, Vice President**

Sales & Commercialization, First State Hydrogen

The Brandywine Valley Chapter of ASM International is excited to have Dora Cheatham, Vice President, Sales & Commercialization of First State Hydrogen presenting on the Mid-Atlantic Clean Hydrogen Hub (MACH2). MACH 2 comprises a coalition of states, including Delaware, New Jersey, and Pennsylvania, and companies in the region to advance clean hydrogen production in the region. Dora will discuss the MACH2 program, its objectives, and the collaborations between industry and academia that will advance clean energy in the Delaware valley area.

Location: In-Person, Iron Hill Brewery & Restaurant, Wilmington
[620 Justison Street, Wilmington, DE 19801](#)

Networking 6:00 PM; Dinner 6:30 PM; Presentation 7:00 PM

Dinner will be served family style with the following options:

- Herb Grilled Chicken Breast
- Moroccan Salmon
- Vegetable Stir Fry
- A cash bar is available onsite.

Price:
