## SPEAKER

### Mr. Satish Pai

Managing Director  
Hindalco Industries.

Vice President and Chairman –  
Non Ferrous, Indian Institute of Metals,  
Vice President & Chairman –  
Government Affairs Committee of the  
Aluminium Association of India.

Mr. Satish Pai is Managing Director of Hindalco Industries. He took over as the CEO of Hindalco’s Aluminium Business in August 2013. Mr. Pai was the driving force behind three mega greenfield projects that established Hindalco as among the biggest producers of primary aluminium in Asia. He is also on the Board of Hindalco subsidiary - Novelis - the world’s largest aluminium rolling and recycling company. In February 2014, he was appointed as the Deputy Managing Director of the company and was also entrusted with Hindalco’s copper business. He became the Managing Director of Hindalco in August 2016, and oversaw the Indian metals business and guided Novelis’ operations globally. Prior to joining the Aditya Birla Group, Mr. Pai worked with Schlumberger, based out of Paris. Over the course of his 28-year-career with the MNC, he held important positions and was responsible for Schlumberger operations globally. Mr. Pai holds a patent in directional drilling. He received the ‘Distinguished Alumni Award’ by IIT Madras in 2017. He was conferred the Doctor of Letters Honoris Causa (D. Litt) by Ajeenkya DY Patil University in 2020. Mr. Pai serves as Director on the boards of Aditya Birla Management Corporation Pvt. Ltd. and ABB, Zurich.
