- Presentation 7:00 PM

Location: In-Person,
Iron Hill Brewery &
Restaurant,
Wilmington
620 Justison Street,
Wilmington, DE 19801

The Brandywine Valley Chapter of ASM International is excited to have Dora Cheatham, Vice President, Sales & Commercialization of First State Hydrogen presenting on the Mid-Atlantic Clean Hydrogen Hub (MACH2). MACH 2 comprises a coalition of states, including Delaware, New Jersey, and Pennsylvania, and companies in the region to advance clean hydrogen production in the region. Dora will discuss the MACH2 program, its objectives, and the collaborations between industry and academia that will advance clean energy in the Delaware valley area.

Dinner price:

- Students: \$20
- Members \$35
- Non-members: \$45
- Attendance to the technical presentation is free
